

1. How K-LOVE serves you as a resident of the local community.

KLove brings a positive message and uplifts listeners by its songs and message.

2. The effect on the local community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming.

KLove offers online and FM radio service--I don't know what the effect would be since I don't know what else is an alternative, but I do know that KLove provides excellent programming and encouragement to those who tune in.

3. Why you believe that the service provided by K-LOVE is in the public interest.

I believe the service provided by KLove is in the public interest because it is always in the public interest to encourage listeners to have stronger marriages, families and to treat each other with respect.

So, I urge the FCC to keep at least KLove on the air in our regional community. Thank you!
